Dear Parents,

Hopefully by now you have had a chance to read our excellent SIAMS inspection report – to be judged Outstanding is amazing – if you haven't yet read it please see section below.

Class 3 had a brilliant AEMs residential – the children were superb – they did everything with gusto and produced some lovely work. They were a pleasure to be with – come to sharing assembly on Friday to find out more.

School Bus Payments

There are two outstanding payments for children using the bus. They must be settled immediately as the children cannot use the bus service while payments are behind and Jeff needs to settle his end of year accounts.

SIAMS Inspection

Our full report is now available and this was emailed to parents last week. Any parent who's email address we do not hold received a printed report. - If you did not receive this email but think you should have please check your "junk" folder to make sure our emails are coming through, or contact the office to make sure we have your email address recorded correctly. If any parent received the email but would also like a printed copy, please feel free to contact Mrs Massey in the office.

Guitar Lessons

If your child is taking part in Mr Gambling's lessons please make sure permission slip and payments are sent in to school. If these are not received your child will not be able to participate.

Uniform Order

Please be aware that we are about to get into the busy season for ordering new uniform. This does mean that deliveries times are likely to be longer and as we approach the summer may get longer still. Now may be a good time to have a look at what you might want to purchase for September and put any orders in.

Star Wars Lunch

There is a special lunch on Friday May 4th - please see the poster below for menu information. If your child does not normally have a school meal and would like to join in, please complete and return the attached slip. As usual, the cost for a school dinner is £2.20 – KS1 children are free as they are covered by universal free school meals.

Teacher Led After School Club - Tuesdays 3.30-4.15pm

The new clubs will be starting tomorrow (1st May) and they are; Golf with Mr Olver; Pop Choir (KS2 only) with Mrs Schilling; or Hand Bells (KS2 only) with Mrs Johnstone. Please complete and return the attached permission form if your child would like to attend.
