

## Little Bollington C of E Primary School

### Pupil Premium 2023– 2024

All schools receive **pupil premium funding** from the government. The money allocated to each school varies and is based on the number of children that currently receive free school meals or have done within the past six years, are looked after or are children of parents in the Armed Forces.

Pupil Premium allocation to our school in 2023-2024 - £35,000

Total number of pupils in receipt of pupil premium 26

#### The PP Strategy

To offer maximum support to pupils within their classes we aim to have a Teaching assistant in each classroom to enable focus work to be done with pupils.

To have a support teacher to work specifically with small groups to target the gaps in their learning at KS2

To support families by subsidising our enrichment activities eg residential visits, term time visits and other experiences which the children may miss out on due to financial constraints.

Activity	Expenditure
