### **New Ideas for fundraising**

We discussed new ideas for fundraising events. Clare suggested 'Penny Wars' for each class to participate in. Each class will be given an empty 2 litre milk bottle to fill with coppers. The first class to fill their bottle will receive a prize. All bottle will then be emptied and start again.

We all liked the bags for life that we did a few years ago with the children's drawings on, look into this to put on sale in March.

Little Bollington Bake Off. The children bake or decorate cakes/biscuits, bring them into school to be judged then the cakes are sold to raise funds.

Football cards. Clare has some which we could distribute in the playground to parents who want them.

Weekly raffle. The children can buy raffle tickets for 20p and be entered into a weekly raffle to win a prize.

Car Wash. Set up the car park on a weekend as a car wash and sell tea, coffee, bacon butties etc.

Adam has links with Warrington Wolves and is 'Wolfie'. Adam will ask if he can come to events, for example, the summer fair, as Wolfie. He will also enquire about getting a possible raffle prize.

Wine and Water stall. Rachel has wine bottles with water we could use at her school. This could be a stall at the fairs or the Dickensian.

### **Planned events**

We discussed increasing the fee we charge for the stalls at the Christmas Fair and the Summer Fair. The charges have been the same for many years. The new fee will be £15 per stall or 2 for £25. With regards to the Christmas Fair, Mrs J has asked for a stall on behalf of her daughter. We also asked if Mr J would like a stall with his reindeer as they were a hit last year!

We discussed asking William Garratt to DJ at the school discos as the children really enjoy it as does he. We will speak to his mum Kerry to see if he would like to and if he is available on the specific dates and what he would like as 'payment' (amazon vouchers were mentioned).

Our aim is to make them fun and enjoyable. The funds we all help to raise directly benefit each and every child. The HSA covers half of the travel costs for school trips as well as other things throughout the year.

If you have any suggestions please put them forward. You might not be able to attend the meetings but that doesn't mean you can't share your ideas!

This year we will need more help at the events, please help where you can!

**Treasurers Report** Please see attached report.

### **Fundraising Goals**

We have a healthy amount of money in the bank and all agreed to continue to fund half of the travel costs for school trips. We talked with Mrs J about potentially purchasing outdoor furniture, new buddy bench etc. Mrs J explained that work on the new garden will be starting shortly, it would be really nice to get families involved in creating the garden, starting with clearing the ground. Mrs J asked if the HSA would consider helping to fund items to go into the garden. This was agreed.

School are looking into getting a theatre company to come into school to perform a Pantomime for the children. We discussed the HSA covering half of the costs. \*Mrs J has a quote of £495.00. Parents will be asked for £2 per child and the HSA will cover the remaining amount. Based on 106 pupils, the HSA will pay £283.00\*.
